

Can Tax Complexity and Economic Success go Hand in Hand? A Closer Look at the Tax System of Brazil.

Wednesday, July 2, 2008
Noon - 1:00pm EST

Brazil is without a doubt the latest economic success story. The 10th largest economy in the world, the country has shed decades of stagnation and high inflation. Its now thriving economy, nurtured by democracy and political stability, is nevertheless home to what is arguably the most complex taxation system in the world. It is marked by high rates, thousand of jurisdictions, and extraordinary compliance challenges. Join us as we analyze Brazil's taxation system, look at its tax complexities, and discuss how businesses are succeeding there.
