The ADP Sales Tax Service: A Closer Look

When it comes to managing sales and use taxes, many companies rely upon the native tax capabilities of their ERP system while some use a more specialized tax engine. During this webinar, we will explore yet another possibility: outsourcing the entire sales and use tax process, including:

- ▶ Tax calculation
- ▶ Forms completion
- ▶ Secure transfer of funds to state and local revenue departments

This webinar will take a closer look at the **ADP Sales Tax Service**. We'll examine what this new service does, how it works, and how it provides companies with an unparalleled level of automation.

Various components of the service will be discussed, with particular emphasis on the business benefits of automating the entire sales tax process.

During the final 10 minutes of this webinar, the panel will answer questions from the audience.

Who Should Attend

- ▶ VP / Director / Manager of Sales Tax
