

IN THE BUSINESS OF YOUR SUCCESS™

Corporate Overview

Automatic Data Processing, Inc. (ADP®) is one of the largest providers of business outsourcing solutions to employers and vehicle dealerships around the world. We bring 60 years of unrivaled industry experience to the marketplace.

ADP serves approximately 550,000 organizations in over 125 countries, including nearly 400,000 small business clients and about 25,000 vehicle dealerships. Over 80 percent of FORTUNE 500 companies and more than 90 percent of FORTUNE 100 companies use at least one of ADP's services.

Wherever companies do business – across the street or around the world – they can count on ADP to help them succeed.

ADP'S BUSINESS SEGMENTS

ADP serves the marketplace through its two strategic businesses – Employer Services and Dealer Services.

Employer Services (ES)

ADP Employer Services is committed to serving the needs of employers – from recruitment to retirement – so they can focus on what they do best. ADP ES serves approximately 525,000 organizations, and provides industry-leading solutions to employers of all sizes, by delivering broad HR outsourcing solutions that help to maintain regulatory compliance and control costs.

Employer Services serves the marketplace through the following dedicated business units:

- National Account Services: For employers with more than 1,000 employees
- Major Account Services: For employers with 50 to 1,000 employees
- Small Business Services: For employers with less than 50 employees
- ADP TotalSource®: A Professional Employer Organization (PEO) for small and mid-size organizations
- ES International Services: For employers of all sizes

Dealer Services (DS)

ADP Dealer Services is a leading global provider of fully integrated technology services and solutions to about 25,000 vehicle dealerships of every size throughout the world, as well as vehicle manufacturers.
