1 ADP Boulevard
Roseland, N.J. 07068

Date: November 7, 2018
From: ADP Global Security Organization
Subject: Phishing Campaign: "ADP Account!"

ADP has received reports regarding fraudulent emails being sent to ADP clients from J.M.Wegert@t-online.de with the subject line "**ADP Account!**" These emails instruct the recipient to click on a link in order to verify their account information due to inaccurate data being present in the account.

These emails do not originate from ADP and our analysis has revealed that they may contain malicious content. We're working with our fraud prevention team and anti-phishing vendor to address this incident. Please see the example below which may vary in content and sender.

Subject: ADP Account!

Important – Verify Your ADP Account!

We have noticed that some data from your account information seems inaccurate or unverified. Do verify your information promptly by clicking the below "Verify Account"

To manage your account information, log in to your ADP service, and go to preferences

How to Report a Phishing Email

Be alert for this fraudulent email and follow the instructions below if you receive any suspicious email.

- **Do not click on any links or open any attachments** within the message.
- Forward the email as an attachment to abuse@adp.com, then delete it.
- If you clicked any link or opened an attachment in the email, immediately contact your IT support.

The ADP Global Security Organization continues to actively monitor this situation. Clients are encouraged to visit our website at www.adp.com/trust to learn more about how ADP protects data, and how clients can help protect themselves. Protecting our clients and their data from malicious activity is a top priority for ADP.
