

# TRANSFORM THE WAY THE WORLD WORKS

## ADP ReThink Human Capital Management Conference Agenda

For more than ten years, ADP has been bringing together top-level executives from some of the world's largest multinational organizations to explore global perspectives around cultivating human capital management in a complex, always-changing global environment.

Our theme "Transform the Way the World Works" focuses on the critical role you have in leading the charge in transforming not just your workforce but also impacting the broader global community.
