

Governance of ADP's Privacy Program

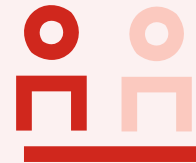

Privacy Leadership Council

Chaired by the **Global Chief Privacy Officer (CPO)**, comprised of Privacy Stewards and selected members of the Privacy Network to oversee compliance with ADP's Privacy Program.

Privacy Network

Comprised of members of the Privacy Team and members of the Legal Department, including compliance professionals, and data protection officers responsible for providing Privacy guidance in their respective region, country, business unit or functional area.

Privacy Stewards

Executives appointed per business unit and functional area to implement and provide oversight of ADP's Privacy Program.

Prospects, clients, vendors, job applicants, client employee or worker, ADP associate or contingent worker; ADP is committed to protect your personal data.
