

ZipRecruiter® is the smartest way to hire.

Now included with RUN Powered by ADP®.

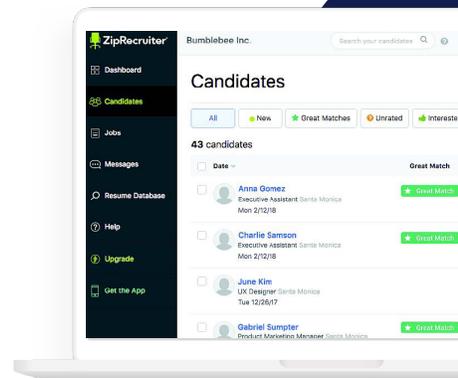

of employers who post a job on ZipRecruiter get a quality candidate through the site within 24 hours¹

Hiring is important. Every business needs great people and a better way to find them. That's why ADP® is partnering with ZipRecruiter to offer users of RUN Powered by ADP payroll the smartest way to hire.

ZipRecruiter makes it simple for growing businesses to hire the right people - no matter what industry you're in.

- With one click, send your job to over 100 of the web's leading job boards
- ZipRecruiter then uses its **smart matching technology** to scan millions of active resumes and notifies the most qualified candidates to apply
- **Candidate spotlight:** ZipRecruiter reviews every application and spotlights the best candidates
- **Smart ratings:** ZipRecruiter uses your ratings to find more of the candidates you like

What are the benefits of using ZipRecruiter within RUN?

- **It's effortless:** a single sign-on with RUN makes ZipRecruiter even more convenient to use
- **It's included:** ZipRecruiter is included in purchases of ADP Complete Payroll and ADP Complete Payroll Plus packages
