Assistance for Employees Who Lose Health Benefits Due to COVID-19

Have any of your employees lost their health benefit coverage due to business closure, layoffs or other reasons related to COVID-19?

There are resources you can guide them to for help obtaining new health benefits coverage.

To help you understand the resources available so you can best direct your employees, please see the following Marketplace resources:

1. [Tip Sheet for Employers Helping Their Employees Understand Coverage Options](#)

Provides a list of places employees can go to get assistance in making health insurance decisions.

2. [Marketplace Information for Businesses Impacted by COVID-19](#)

Frequently asked questions about loss of employer healthcare coverage and how to obtain new coverage.

3. [Marketplace Coverage & Coronavirus](#)

Information for employees who have lost their jobs or experienced a reduction in hours due to COVID-19
