

Less stress and more peace of mind with ADP TotalSource®

ADP TotalSource provides relief from time-consuming and stressful administrative HR tasks so you can reclaim your time and peace of mind. Have confidence knowing that you are covered with expert guidance and support for HR functions like: payroll and tax filing, benefits administration, compliance, risk and safety and talent management.

Here's how ADP clients have relied on ADP TotalSource to "de-stress" their work:

ADP has helped with organization, [everything] in one place, one login for all my HR needs.

Shannon Delp, Southeastern Retina Specialists, PA

[ADP has provided us with] COVID-19 resources, and we have a single login for all needs.

Kathleen Grady, LIT Workshop

My HR Business Resource Manager for all my human resource needs has helped me de-stress.

Stephanie Pomares, Llorente & Cuenca Miami, LLC

The one area ADP TotalSource has helped me de-stress is having an HR person to call and ask questions instead of spending hours reading articles online and trying to decipher what they mean.

Douglas Dimick,
Bay Reprographic

I appreciate that ADP TotalSource takes care of all the behind the scenes payroll stuff that is vital but would be overwhelming for one person to try to manage. Specifically, individual taxes, various withholdings, out-of-state requirements, etc. I get stressed out just listing these things.

Alisha Koneazny,
Atos Medical, Inc.

ADP TotalSource is a one-stop shop for all our company needs. Great support team.

Tom Hope, TAPS Fish House & Brewery
