

Date: January 8, 2020
From: ADP Global Security Organization
Subject: Phishing Campaign: "ADP 2020 payroll processing guide"

ADP has received reports regarding fraudulent emails being sent to ADP clients with the following subject line "**ADP 2020 payroll processing guide**". These emails instruct the recipient to click on a link in order to learn about a new payroll feature within Workforcenow. The link redirects the user to a phishing ADP login page.

Message Sender:
Various <AT>neuro.utah.edu and <AT>hsc.utah.edu

Message Subject:
ADP 2020 payroll processing guide

These emails do not originate from ADP and our analysis has revealed that they may contain malicious content. We're working with our fraud prevention team and anti-phishing vendor to address this incident. Please see the examples below which may vary in content and sender.

 JASON DENNIS SHEPHERD <Jason.Shepherd@neuro.utah.edu> | 
ADP 2020 payroll processing guild.

Welcome

This January ADP has an added package for more secure and convenient payroll processing for all Workforcenow clients. There are few changes on how your payroll will be processed.

An automated insight on how it works has been added to your account dashboard on your next login.

www.workforcenow.adp.com

For questions and clarification see below:

<https://support.adp.com/2020payroll/FAQ>

If you are having issues with the new process [contact your administrator](#).

If you are not using any of ADP services, you can safely ignore this email.

AUTOMATED DATA PROCESSING

How to Report a Phishing Email

Be alert for this fraudulent email and follow the instructions below if you receive any suspicious email.

- Do not click on any links or open any attachments within the message.
- Forward the email as an attachment to abuse@adp.com, then delete it.
- If you clicked any link or opened an attachment in the email, immediately contact your IT support.

The ADP Global Security Organization continues to actively monitor this situation. Clients are encouraged to visit our website at www.adp.com/trust to learn more about how ADP protects data, and how clients can help protect themselves. Protecting our clients and their data from malicious activity is a top priority for ADP.
