Signature Request

Electronic documents have been prepared for your review and/or signature.

Please click [here](#) to view these documents after which you may electronically sign and seal them or decline to do so.

Thank you for choosing ADP for your business solutions.

Important: Please do not respond to this message. It is generated from an unattended mailbox.

This message and any attachments are intended only for the use of the addressee and may contain information that is privileged and confidential. If the reader of the message is not the intended recipient or an authorized representative of the intended recipient, you are hereby notified that any dissemination of this communication is strictly prohibited. If you have received this communication in error, notify the sender immediately by return email and delete the message and any attachments from your system.

How to Report a Phishing Email

Be alert for this fraudulent email and follow the instructions below to report a suspicious email to ADP.

- Do not click on any links or open any attachments within the message.
- Forward the email as an attachment within a new message to abuse@adp.com.
- Delete the original email once you've received confirmation of receipt from abuse@adp.com.
- If you clicked any links or opened an attachment in the email, immediately contact your local IT support team for further action.
